SUEZ GROUP: BERTRAND CAMUS APPOINTS NEW EXECUTIVE COMMITTEE

Newly confirmed to the Board by the General Meeting of shareholders, Bertrand Camus has taken the position of CEO of SUEZ and appointed a new Executive Committee.

This new executive team will be responsible for supporting him in overseeing the Group's operations and implementing the strategic orientations set out by the Board of Directors. The Executive Committee will also be in charge of finalizing and implementing the new SUEZ 2030 corporate plan, intended to commit the Group to conquer new opportunities for sustainable and profitable growth.

Julian Waldron will therefore be joining the Group as Chief Financial Officer as of May 15, 2019. He brings his experience gained at other major international industrial groups.

The **Executive Committee** will be composed of 8 members, in addition to the **CEO**:

- **Jean-Marc Boursier, Chief Operating Officer and Senior Executive VP Group in charge of Northern Europe and Industrial Waste Specialties Europe**
- **Christophe Cros, Senior Executive VP Group in charge of Water Technologies & Solutions (WTS) and North America**
- **Marie-Ange Debon, Senior Executive VP Group in charge of France, Italy, Eastern & Central Europe**
- **Ana Giros, Senior Executive VP Group in charge of International and directly Africa, the Middle East, India, Asia, Australia, Consulting and Industrial Key accounts**
- **Angel Simon, Senior Executive VP Group in charge of Spain, Latin America, Advanced Solutions and Smart Cities**
- **Jacques Audibert, Secretary General**
- **Isabelle Calvez, Group Chief Human Resources Officer and acting Chief Communications and Sustainable Development Officer**
- **Julian Waldron, Group Chief Financial Officer.**

The Group would like to thank Jean-Yves Larroutourou, Denys Neymon and Frédérique Raoult, who leave the Group, for their contribution and dedication to the company.

Bertrand Camus, CEO of SUEZ, comments: "This new Executive Committee and I will embody our customer-centricity, our culture of innovation and entrepreneurship, and our winning spirit that will make SUEZ the world leader in environmental services in the decade to come. I am confident in the ability of the Committee and the Group's 90,000 employees to hold aloft the SUEZ banner around the world."

SUEZ

With 90,000 people on the five continents, SUEZ is a world leader in smart and sustainable resource management. We provide water and waste management solutions that enable cities and industries optimize their resource management and strengthen their environmental and economic performances, in line with regulatory standards. To meet increasing demands to overcome resource quality and scarcity challenges, SUEZ is fully engaged in the resource revolution. With the full potential of digital technologies and innovative solutions, the Group recovers 17 million tons of waste a year, produces 3.9 million tons of secondary raw materials and 7 TWh of local renewable energy. It also secures water resources, delivering wastewater treatment services to 58 million people and reusing 882 million m³ of wastewater. SUEZ generated total revenues of 17.3 billion euros in 2018.

SUEZ in Asia

SUEZ has been present for over 60 years in South East Asia and 40 years in Greater China in water and waste management. With over 9,000 employees and over 70 water and waste projects with local partners, SUEZ is helping authorities and industries develop innovative solutions to address climate change and sustainable resource management. The Group built over 460 water and wastewater treatment plants in Asia, supplying drinking water to 20 million people. It operates China's first PPP water contract in Macau and Mainland China's first water concession in Chongqing. It is also the leader of waste management in Hong Kong and delivers its expertise in the management of environmental services to 13 industrial parks in Mainland China.
